About the Friends Alliance Awards

In coordination with the Historic Sites Community Engagement Program, the Friends of the Texas Historical Commission (FTHC) is accepting nominations for the **2027 Friends Alliance Awards** to honor outstanding volunteer efforts by a local friends group, supporting nonprofit, or an individual volunteer for a THC historic site. The nominations are administered by the Community Engagement Program, and the awards are selected by the FTHC Board of Directors during the fall quarterly meeting.

The Friends Alliance awardee will be honored with the following:

- Recognized publicly by the FTHC at the Real Places Conference.
- Awarded \$500 to the nonprofit, or \$500 designated to the site if the awardee is an individual volunteer.
- The awardee, or one representative of the nonprofit/friends group, will receive free admission to the Real Places conference and a complimentary hotel room at the conference hotel.

More about the award:

Friends Alliance Awards are available only to an official friends group, supporting nonprofit organization, or to an individual volunteer that partners with a THC-State Historic Site.

Nominations will be considered for a specific project, or projects, completed in the past two years.

Suggested Guidelines

Projects may highlight one or more of the following activities:

- **Civic Engagement:** for promoting and advocating for a THC State Historic Site to public entities, to maintain or elevate the site as a recognized community asset.
- **Outreach:** for creatively engaging diverse community stakeholders to support the site.
- **Stewardship:** for augmenting a site's operational capacity by supporting special programs or projects, hiring site staff, fundraising for additional maintenance or preservation needs, and/or providing in-kind services or supplies.
- **Education:** for creating or participating in programs that engage school groups or school-age children.

- **Community Impact:** for creating or participating in projects that result in a demonstrable positive impact on the local community.

Nominations may be submitted by site staff, by friends group members, or by any member of the public. Nominations may not be made by the FTHC Board of Directors or staff, or by Austin Headquarters-THC staff.

Award Restrictions

Only one friends group or individual may be awarded per year.

Nominations will only be considered for Historic Sites friends groups, supporting nonprofits, or volunteers that are registered, in good standing with the site, and in the case of nonprofits or fiscally sponsored groups, have a current Memorandum of Agreement with the THC.

Nominations for a volunteer may be considered regardless of their affiliation with a friends group or supporting nonprofit.

If a friends group, supporting nonprofit, or volunteer was awarded a Friends Alliance Award in the previous year, they are not eligible for an award in the immediate subsequent year.

The nominee's contributions must be consistent with THC programs, policies, and preservation recommendations.
